

# TWO SPECIAL WAYS TO HONOR YOUR LOVED ONES

## BACH KIDS

The music of J.S. Bach has been handed down from generation to generation. Its beauty and humanity inspires and enhances our lives. This rich legacy is currently under our watch—but *the future belongs to our children.*

ABS' **BACH KIDS** program is the perfect way to cherish a child by investing *on their behalf* in performances of Bach's music for audiences today and in the future.

For each tax-deductible donation of \$100 or more, we'll list the name of your child, grandchild, niece, nephew, or any other young person in your life in a special section of our program booklets for one year.

- A unique gift for any child: they'll see their name in print!
- When they're old enough, bring them to ABS concerts with our special discounted **Bach Family Tickets** (*\$5 when accompanied by an adult with a regular-priced ticket*).

## TRIBUTE GIFTS

All of us have treasured people in our lives who have been significant and meaningful. The teachers who went that extra mile, the family members who've given unqualified support, the mentors and colleagues who have enriched our work lives: they all hold special places in our hearts and minds.

Recognize these special people by making a donation to ABS *in their honor or memory.*

For each tax-deductible contribution of \$100 or more, you can have someone acknowledged in ABS' program booklets for one year in our special Tributes section.

In addition to listing their names in our programs, we can also send a letter informing them or their family of your gift. Simply provide their address on a separate piece of paper.
